DECISION ON PETITION
UNDER 37 CFR 1.378(c)

This is a decision on the petition under 37 CFR 1.378(c), filed March 7, 2011, to accept the delayed payment of a maintenance fee for the above-identified patent.

The petition is **DISMISSED**.

A petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2).

The petition lacks items (1) above.

The statement of unintentional delay is not considered to be submitted by a proper party as required by 37 CFR 1.378(d), which states that any petition under this section must be signed by an attorney or agent registered to practice before the Patent and Trademark Office, or by the patentee, the assignee, or other party in interest.

The petitioner's signature was omitted from the request and therefore, the statement of delay is not acceptable. In this regard, petitioner's attention is directed to 37 CFR 1.33(b), which states.

(b) Amendments and other papers. Amendments and other papers, except for written assertions pursuant to § 1.27(c)(2)(ii) of this part, filed in the application must be signed by:

- (1) A registered patent attorney or patent agent of record appointed in compliance with § 1.32(b);
- (2) A registered patent attorney or patent agent not of record who acts in a representative capacity under the provisions of § 1.34;
- (3) An assignee as provided for under §3.71(b) of this chapter; or
- (4) All of the applicants (§ 1.41(b)) for patent, unless there is an assignee of the entire interest and such assignee has taken action in the application in accordance with § 3.71 of this chapter.

An unsigned amendment (or other paper) or one not properly signed by a person having authority to prosecute the application is not entered. This applies, for instance, where the amendment (or other paper) is signed by only one of two applicants and the one signing has not been given a power of attorney by the other applicant.

Therefore, as the petition is not properly signed, the petition is considered to not contain a proper statement of unintentional delay.

If reconsideration of this decision is desired, a properly signed petition for reconsideration under 37 CFR 1.378(e) must be filed within **TWO (2) MONTHS** from the mail date of this decision. For applicant's convenience a Statement under 37 CFR 3.73(b) is attached. No extension of this 2-month time limit can be granted under 37 CFR 1.136(a) or (b). This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

Any such petition for reconsideration must be accompanied by the petition fee of \$400 as set forth in 37 CFR 1.17(f). The petition for reconsideration must include any lacking item(s) noted above, since, after a decision on the petition for reconsideration, no further reconsideration or review of the matter will be undertaken by the Director.

If petitioner does not wish to pursue reinstatement of this expired patent, petitioner may request a refund of the \$2055 maintenance fee and the \$1640 surcharge submitted with the petition. The request should be made in writing and addressed to: Mail Stop 16, Director of the U.S. Patent and Trademark Office, P. O. Box 1450, Alexandria, VA 22313-1450. A copy of this decision should accompany petitioner's request.

Further correspondence with respect to reinstatement of this patent should be addressed as follows:
